

Dear Parents/Guardians:

A couple of years ago Rimbey Elementary School had a family registered here whereby the children in the family were severally allergic to peanut butter. It was at that time that RES went "Peanut/Nut Free". This family has now left our school/community therefore Rimbey Elementary's "Peanut/Nut Free" status will be discontinued. Should the need arise again where a student enrolls that has a severe life-threatening peanut/nut allergy the policy may be revisited.

As of June 5th, students are once again allowed to bring peanut based products to RES.

We thank you for helping us to enforce the Peanut/Nut Free Zone when it was necessary to keep our peanut/nut allergic students safe.

Sincerely,

Don Wielinga & RES Staff
