Rimbey Community Health Centre

Box 464,

Rimbey, AB T0C 2J0

Dear Rimbey School students, parents and staff:

My name is Janice Jonah and I am the Speech-Language Pathologist at your school. I am employed by Alberta Health Services. I work with students who have difficulty communicating (e.g., speech sound production, language [following directions, vocabulary and grammar], stuttering, voice and hearing problems). My role is to provide assessment, treatment and consultation (with parents and teachers) to clients on my caseload. Supervised treatment is often carried out by the AHS or school based speech-language pathologist assistants, Donna Hare and Kammy Key.

If you have any concerns regarding your child, please discuss a possible referral with his or her teacher. Yearly consent and referral forms are available at your school.

If you have any questions, please feel free to call me at 403-843-2288.

Wishing you a great school year!

Sincerely,

Janice Jonah, R.SLP
