

## Rimbey Elementary School Council Meeting Agenda

Tuesday, May 10 5:00 pm in RES Staff Room

*“School councils are structured groups of parents, principals, teachers, secondary students and community representatives who work together to effectively support and enhance student learning. They provide a means for members of the school community to consult with and provide advice to the principal and the school board.”* - ASCA Website

### **Rimbey Elementary School Council should remember:**

1. *the confidential nature of some school business.*
2. *to limit the discussions at meetings to the business of the school as a whole.*
3. *to keep meetings to a manageable timeframe.*
4. *If someone would like something to be discussed at a meeting, they should ask for it to be added to the agenda PRIOR to the meeting.*
5. *Only agenda items will be discussed at meetings.*

### **Rimbey Elementary School Council should try to avoid:**

1. *listening to individual complaints.*
2. *discussing individual students, parents or staff.*
