“School councils are structured groups of parents, principals, teachers, secondary students and community representatives who work together to effectively support and enhance student learning. They provide a means for members of the school community to consult with and provide advice to the principal and the school board.” - ASCA Website

Rimbey Elementary School Council should remember:

1. *the confidential nature of some school business.*
2. *to limit the discussions at meetings to the business of the school as a whole.*
3. *to keep meetings to a manageable timeframe.*
4. *If someone would like something to be discussed at a meeting, they should ask for it to be added to the agenda PRIOR to the meeting.*
5. *Only agenda items will be discussed at meetings.*

Rimbey Elementary School Council's role does not include:

1. *school governance*
2. *employment issues*
3. *school management*
4. *listening to complaints*

Parents are welcome to discuss individual issues with administration at a separate time.
