

# CILANTRO AND CHIVE

Smiles and high fives ALL around! Having the opportunity to get into local schools AND raise cash for important school needs is truly rewarding!

Rimbey Elementary School is on the receiving end of funds from our most recent ice cream sandwich at our Lacombe location, the "Mini Egg". It included chocolate egg ice cream, salted chocolate and caramel cookies, chocolate sauce, whipped cream, and crushed mini eggs! \$1 from every ice cream sandwich sold at our Lacombe location between March and May is going towards school improvement!

Our School Ice Cream Sandwich Program sees our culinary teams at both of our restaurant locations dream up an epic ice cream sandwich every 3 months, we select a local school to benefit from ice cream sandwich sales, kicking back \$1 of every sandwich we sell in house to a program or project of the school's choice.

Our team was thrilled to work alongside students at the school in April for an on-site ice cream sandwich sale! A group of Grade 6 students held each other to task and their work ethic coupled with their positive attitude helped us serve up more than 250 ice cream treats, raising some additional funds for the school. A BIG thank-you to school staff and families who supported those efforts!

Today, (June 5th) we were thrilled to hand over a cheque to Rimbey Elementary School for \$1459 which included \$1068 raised from the on-site sale (we're happy to kick back FULL proceeds from that pre-order fundraiser)! School Principal Jodi Bramfield says they hope to use the funds to help purchase some new playground equipment.

Since launching our Ice Cream Sandwich Program in 2019 we've been able to give back more than \$18,000 to local schools, all thanks to amazing school partnerships, and your support!

Our current Ice Cream Sandwich at our Lacombe location is the "S'more". It includes S'mores Galore ice cream, sandwiched between two chocolate chunk cookies coated in graham cracker crumbs and topped with toasted marshmallow! \$1 from every ice cream sandwich sold will go directly to Parkview Adventist Academy and their partnership with A Better World Canada to support an orphanage in Kenya.
